

DAE WANG INTERNATIONAL HEADQUARTERS
SEOUL, SOUTH KOREA

CLIENT: Dae Wang / Daewoo
COMPLETION: 2001

DESCRIPTION: Dae Wang International Headquarters is located on a narrow site of 27 meters wide in downtown Seoul across from south Seoul Moon Park. This 35-story, 87,000 s.m. office tower with views to the surrounding hills will serve as headquarters for various banking, legal and financial institutions. A mechanical carousel parking system for 200 cars will supplement below and above grade parking.

COST: \$ 200 million
ROLE: AJLA was the Design Architect of this project.
STATUS: Project is currently in the Construction Document phase.
